Cisco Networking Academy

Well done PranathiReddy!

Excellent work on successfully completing **Python Essentials 1** course. It's a great accomplishment and a powerful step towards new and exciting opportunities.

You've Earned a Digital Badge

Show others this significant achievement by sharing your badge on social media and professional networks. Follow the steps below to claim your digital badge:

1. Go to our partner website: [Claim my badge](#)
2. Use your email from this message to create an account or sign in with your existing account.
3. Once logged in, select the **Python Essentials 1** badge, then select Accept.
4. You can then share your digital badge via email or social media.
5. You also have the option of downloading a printable certificate when you share your badge publicly. Find out more about [downloading and printing a badge](#).

Keep Moving Forward

Continue to build on your success by exploring more courses and resources in the Learning Catalog on NetAcad.com.

This accomplishment is just the beginning. We are confident in your potential and excited to see the amazing things you will achieve.

Cheering you on,

The Cisco Networking Academy Team
